

Product Information

AUSTRAL LIQUID LAUNDRY DETERGENT

Austral Liquid Laundry Detergent cleans in hot and cold water producing excellent results in domestic or commercial laundry applications.

◆ DIRECTIONS:

Fill washing machine with water then add the appropriate quantity of laundry detergent. Avoid getting concentrated detergent directly onto clothes.

For spot/stain treatment, pre rub a small amount directly onto the stain and then immediately immerse in water. **NB** When applying product undiluted to fabric, consult manufacturer's washing instructions and test a portion for colour fastness before proceeding.

Dosage:

Small washing machines:

- 50-60ml (1/4 cup)

Larger washing machines:

- 70-80ml (approximately 1/2 cup).

Presoaking:

- 50ml (1/4 cup) per 5 litres of water (Leave overnight then add to regular wash)

Handwashing:

- 50ml (1/4 cup) in a 10 litre bucket of water.

◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.

◆ PRESENTATION:

Austral Lemon Dishwash Detergent is available in 5, 20 and 200 Litre containers.

◆ HAZARDS:

Austral Liquid Laundry Detergent is mildly alkaline, but non corrosive, and should be kept out of reach of children. Harmful if swallowed. Avoid contact with eyes.

◆ FIRST AID:

If swallowed: do not induce vomiting. Rinse mouth with water and give water or milk to drink. Seek medical assistance. For eye contact: flush with water. If irritation develops seek medical attention.
