

Product Information

NEROLI PERFUMED FLOWING HANDSOAP

Neroli Perfumed Flowing Handsoap is a high quality all-purpose liquid hand soap formulated for use from dispensers in domestic and commercial hand cleaning applications. It has a neutral pH and a mild vegetable oil base formula that effectively cleans the hands leaving the skin clean and oil enriched.

A Safety Data Sheet is available for this product on request.

Neroli Perfumed Flowing Handsoap contains a powerful bactericide, which affords antiseptic protection against a wide range of micro-organisms.

◆ DIRECTIONS:

Neroli Perfumed Flowing Handsoap can be used direct from a dispenser or pump. Apply a small quantity onto the hands, add water to activate the foaming action and rub in well. Rinse hands clean under a tap or in a basin of clean water.

◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.

◆ PRESENTATION:

Neroli Perfumed Flowing Handsoap is available non-perfumed for use in food processing industries. It is available in the following pack sizes:

- 5 litre jerrycans
- 20 litre polycans
- 200 litre polydrums

◆ HAZARDS:

Harmful if swallowed. Keep out of reach of children. Avoid contact with eyes.

◆ FIRST AID:

If swallowed: do not induce vomiting. Rinse mouth with water and give water or milk to drink. Seek medical assistance. For eye contact: flush with water. If irritation develops seek medical attention.
