

Product Information

SMOOCHY FABRIC SOFTENER

Smoochy Fabric Softener imparts softness to both cotton and blended fabrics. It reduces static-cling and linting and can be used in all washing machine operations or for hand washing.

Smoochy contains a soft fragrance that remains with fabrics after drying leaving it soft and smelling vitalized.

◆ DIRECTIONS:

For machine washing: add approximately 50mls per average laundry wash load. For machines equipped with dispenser follow the washing machine manufacturer's instructions and place in fabric softener dispenser. If machine does not have a dispenser, add Smoochy Fabric Softener to the final rinse water to avoid interaction with washing detergent.

For hand washing: Rinse garment well to remove all traces of Laundry Powder or Detergent. Add 30ml of Smoochy to clean rinse water in the tub and agitate thoroughly. For woollens use 50 ml of Smoochy.

- Shake contents before dispensing Smoochy from container.
- Do not pour undiluted Smoochy directly onto clothes or fabrics.
- Always use Smoochy by itself in the final rinse.

◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.

◆ PRESENTATION:

Smoochy is available in 5, 20 and 200 Litre pack sizes.

◆ HAZARDS:

Harmful if swallowed. Keep out of reach of children. Avoid contact with eyes.

◆ FIRST AID:

If swallowed: do not induce vomiting. Rinse mouth with water and give water or milk to drink. Seek medical assistance. For eye contact: flush with water. If irritation develops seek medical attention.
