

## Product Information

# TEX PRO-SPOTTER

## Water Based Laundry and Carpet Pre-spotter

Tex Pro-Spotter is a blend of alkaline cleaning agents and surfactants for the removal of food-based oil and grease stains on colourfast fabrics, garments and carpets. This blend provides efficient dissolving of ingrained soil and its subsequent emulsification and removal in water during the laundering process.

A Safety Data Sheet is available for this product on request.

### ◆ DIRECTIONS:

**Fabrics:** Spray Tex Pro-Spotter to linen stain, immediately wash garment in normal wash cycle.

**Carpet:** Lightly spray Tex Pro-Spotter to stain then gently dab with a damp sponge or cloth. Do not over wet carpet. Soak up excess with dry cloth, leave to dry, then vacuum.

**Note:** Test for colourfastness in an inconspicuous area before use.

### ◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.

### ◆ PRESENTATION:

Tex Pro-Spotter is available in 5 Litre jerrycans.

### ◆ HAZARDS:

Harmful if swallowed. Keep out of reach of children. Avoid contact with skin or eyes.

### ◆ FIRST AID:

If swallowed: do not induce vomiting. Rinse mouth with water and give water or milk to drink. Seek medical assistance.  
For eye or skin contact: flush with water. If irritation develops seek medical attention.
