

Product Information

AUSTRAL FLOWING HAND SOAP

A high quality “maritime” fragranced all-purpose liquid handsoap formulated for use from dispensers in hand cleaning applications.

A Safety Data Sheet is available for this product on request.

It has a neutral pH and a mild vegetable oil base formula which effectively cleans the hands leaving the skin clean and oil enriched. Austral Flowing Hand Soap contains a powerful bactericide which affords antiseptic protection against a wide range of micro-organisms.

◆ DIRECTIONS:

Austral Flowing Hand Soap can be used direct from a dispenser or pump. Apply a small quantity onto the hands, add water to activate the foaming action and rub in well. Rinse hands clean under a tap or in a basin of clean water.

◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.

◆ PRESENTATION:

Austral Flowing Hand Soap is available in:

- 5 litre jerrycans
- 20 litre polycan with tap facilities
- 200 litre drums

◆ HAZARDS:

Harmful if swallowed. Keep out of reach of children. Avoid contact with eyes.

◆ FIRST AID:

If swallowed: do not induce vomiting. Rinse mouth with water and give water or milk to drink. Seek medical assistance.
For eye or skin contact: flush with water. If irritation develops seek medical attention.
