

## Product Information

# DELUXE FLOWING HANDSOAP

Deluxe is a pearlescent all-purpose liquid handsoap formulated for use from dispensers in hand cleaning applications. It has a neutral pH and a mild vegetable oil base formula which effectively cleans the hands leaving the skin clean and oil enriched. Deluxe Flowing Soap contains a powerful bactericide which affords antiseptic protection against a wide range of micro-organisms.

Deluxe is made from high quality biodegradable surfactants and has a near neutral pH making it suitable for discharge into a septic tank and similar.

### ◆ DIRECTIONS:

Deluxe Flowing Soap can be used direct from a dispenser or pump. Apply a small quantity onto the hands, add water to activate the foaming action and rub in well. Rinse hands clean under a tap or in a basin of clean water.

### ◆ BIODEGRADABLE:

The surfactants in this product are biodegradable according to internationally accepted criteria.
